Tax Inventory and Assessments for the Town of Litchfield, Maine

1855 - 1864

Book: Tax-5

(Page dimensions approximately 8 1/8" x 13 1/8")

This is a hand-written ledger book containing the tax inventories (valuation) and assessments for all taxpayers in the Town of Litchfield. The entries for individual taxpayers are generally alphabetized.

Most years contain school district funding information and a separate listing of the assessment for non-resident landowners.

This book was cataloged, microfilmed and digitized in 2012 as a project of the Historical Society of Litchfield, ME and was funded in part by the Maine State Archives' Historical Records Collections Grant Program
