

**Poor Farm Records
for the
Town of Litchfield, Maine**

1846 - 1863

Book: PF-1

(Page dimensions approximately 5 3/4" x 15")

This is a hand-written ledger book containing records pertaining to the care of the poor in the Town of Litchfield. It is in very good condition. It contains, but is not limited to, payments between the Town of Litchfield and other Towns for the support of the poor within their borders; contracts between the Town of Litchfield and various Keepers of the Poor for the care of paupers within the Town; agreements for the support of specific individuals; agreements for the operation and management of the Town's Poor Farm; a record of the purchase of the Poor Farm from Robert L. Gilman; and records of the supplies purchased by various managers of the Poor Farm.

Due to the arrangement of the book it is not indexed.

This book was cataloged, microfilmed and digitized in 2012 as a project of the
Historical Society of Litchfield, ME and was funded in part by the
Maine State Archives' Historical Records Collections Grant
Program

An Account Book for the town.

of
Litchfield.

Figure 1 consists of two line graphs. The left graph plots 'Growth rate (log CFU/h)' on the y-axis (ranging from 0 to 1.5) against 'Temperature (°C)' on the x-axis (ranging from 20 to 40). It shows two data series: a control (open circles) and a mutant (filled circles). Both series show a peak in growth rate around 37°C, with the control reaching approximately 1.4 log CFU/h and the mutant reaching approximately 1.2 log CFU/h. The right graph plots 'Growth rate (log CFU/h)' on the y-axis (ranging from 0 to 1.5) against 'Temperature (°C)' on the x-axis (ranging from 20 to 40). It shows two data series: a control (open circles) and a mutant (filled circles). Both series show a peak in growth rate around 37°C, with the control reaching approximately 1.4 log CFU/h and the mutant reaching approximately 1.2 log CFU/h.

Figure 1 is a line graph showing the percentage of total energy expenditure (TEE) for different activities over a 24-hour period. The Y-axis is 'Percentage of TEE' (0-100) and the X-axis is 'Time of Day' (0-24). The activities and their approximate percentages are:

Time of Day	Sleeping	Resting	Sedentary	Light	Moderate	Vigorous
0	30	10	5	0	0	0
4	35	10	5	0	0	0
8	30	10	5	0	0	0
12	20	10	10	5	5	0
16	15	10	10	10	10	10
20	15	10	10	10	10	10
24	30	10	5	0	0	0

(The page contains faint, illegible markings.)

1. The first step in the process of creating a new product is to identify a market need. This involves conducting market research to determine what consumers want and what problems they are trying to solve. 2. Once a market need has been identified, the next step is to develop a concept for a product that meets that need. This involves brainstorming ideas and selecting the most promising one. 3. The third step is to create a prototype of the product. This allows the company to test the product and make any necessary adjustments before moving forward with production. 4. After the prototype has been created, the company must develop a business plan for the product. This includes determining the cost of production, the price to charge, and the marketing strategy. 5. The final step is to launch the product into the market. This involves creating a marketing campaign to generate awareness and interest in the product.	1. --	--

1. The first part of the document is a list of names and addresses, which appears to be a directory or a list of contacts. The names are written in a cursive script, and the addresses are listed below them. The list includes names such as "J. H. Smith", "W. J. Jones", and "A. B. Brown".

Figure 1 consists of two scatter plots. The left plot shows a positive correlation between the number of children and the number of adults, with a regression line indicating a positive slope. The right plot shows a negative correlation between the number of children and the number of adults, with a regression line indicating a negative slope.

Records of doings connected with
purchase of Pool farm

At the annual Town meeting in March 1860 the following Votes were passed. To wit. Votes to instruct the Overseers of the Poor to purchase, or lease a farm on which to support the Poor, or contract for their support as they may judge expedient. -

Resolved that in case the Breasars purchase a farm the Treasurer be authorise to give the credit of the Town to the amount of twenty five hundred dollars.

In accordance with the above
Notes a farm on which to support
the Town's Poor was purchased of
Robert L. Gilman and paid for
as follows, to wit. -

The whole scene said was.

2050 50

*Paid in three notes dated
March 31st 1860*

one for	-	-	-	-	1000	00
one	-	-	-	-	550	00
and one for					500	00

In relation to the Notes given for the purchase of the Town farm. There has been the following changes the past year. The Note given to Robert L Gilman for \$1000.00 which had fallen into the hands of Jonathan Davis of Webster was taken up Jan^y 14 1862 and at the same date two Notes were given for the amount due. One to Joseph S. Ford for \$617.33 and the other to Mrs Elizabeth Robinson for \$1000.00 being the amount of \$1000.00 and interest accruing from March 31st 1861 to the time they were given. The interest for the previous year having been paid. Another Note given to Robert L. Gilman for \$500.00 interest being paid up to March 31. 1861. There was paid June 29. 1861. \$100.00 Dec 13. 1861 \$100.00 leaving as principal \$300.00 and the interest accruing since the 31st day of March 1861.

To the Municipal Officers of the Town of
Litchfield, in the County of Kennebec

Thomas Holmes, Chairman of the Overseers of the Poor of the Town of Litchfield, respectfully represents that Susan W. Ham of Litchfield is an insane person and it is dangerous for her to remain at large. We therefore pray that you will make inquiry into the matter and if you shall deem the same advisable, to order her commitment to the Insane Hospital at Augusta.

Thomas Holmes } Chairman
of
Overseers of Poor
Litchfield

State of Maine

To the Superintendent of the Maine Insane Hospital.

Whereas, the undersigned Municipal Officers of the Town of Litchfield in the County of Kennebec, this day in compliance of Thomas Holmes of Litchfield in the County of Kennebec, of Susan W. Ham of said Litchfield as a proper subject for said Hospital, made due enquiry into the condition of said Susan W. Ham and called before us such testimony as was necessary to a full understanding of the case, whereupon it appears to us that said Susan W. Ham was insane, and we were of opinion that the safety and comfort of said Susan W. Ham and others interested would be promoted by a residence in said Hospital, and accordingly determined that said Susan W. Ham be sent forthwith to said Institution. We therefore certify,

That said Susan W. Ham is insane and that she was residing in the town of Litchfield aforesaid, at the time of arrest and examination aforesaid and you the said Superintendent are hereby ordered and required to receive said Susan W. Ham into said Hospital, and to detain her in your care until she shall become of sound mind or otherwise discharged by order of Law or by the Superintendent and Trustees, given under our hands at Litchfield this 4th day of July in the year of our Lord one thousand eight hundred and seventy-one
